

Group Project Changes its Name to Bonafi

(April 23, 2018) [Group Project](#) has changed its name to [Bonafi](#). The new company's name comes from the word Bonafide. [Bonafi](#) is more descriptive of their work and business that blockchain technology is used to make each product the one and only and never be counterfeited.

Their website address is www.bonafi.io.

Who is Bonafi?

[Bonafi](#) provides a blockchain solution to counterfeits of the world. Their solution consists of their Bona token, Cypto-Tag™, and a mobile application to record the supply chain information on the blockchain. Consumers would use the mobile App to verify the authenticity of the goods.
