

Bonafi selects VEW Media as PR Firm for its ICO

August 6, 2018—Los Angeles, CA-- Bonafi, the blockchain solution for detecting counterfeit products, selects VEW Media as its PR firm. Bonafi is taking on a \$1.7 trillion counterfeit industry, with its authentication system will help consumers verify goods to make sure that not counterfeit, inferior products. Bonafi is currently in the process of filing for Reg D 506(c) exemptions with the SEC. The company's pre-ICO is tentatively set for September 10th through 30th, and the public ICO will begin on October 15th through December 23rd. Bonafi has approximately 20,000 subscribers following on its Telegram, Reddit, and Bitcointalk channels.

Steve Kuh, CEO of Bonafi said, "I am happy to work with VEW Media. As we position ourselves to launch an ICO in September, we need the news coverage in the accredited investor communities of the USA. VEW is a small firm, but highly experienced and capable – just like Bonafi."

"My team and I are thrilled to be working to help Bonafi spread its message out to the markets. We will help brand the company in its markets," said Veronica Welch, CEO, and Founder of VEW Media.
